Accounting - Custom Field 1 and 2 Increased (15671) [Enhancement]

Last Modified on 08/24/2023 3:56 pm EDT

The character limits for the Custom 1 and Custom 2 fields on the Add/Update Bill Group screen have been extended to accommodate up to 100 characters. In the event that this character limit is surpassed, the field will be visually highlighted with a red outline.
