An issue has been resolved that was preventing service charges from displaying correctly when additional services were added to a service agreement.

The screenshot shows a software interface for managing service agreements. The main window is titled "EDIT CONTRACT - 18089" and has tabs for "Settings", "Services", "History", "Attachment", and "Master Agreement". The "Services" tab is active, showing a table with columns: SITE ID, START DATE, QTY, SERVICE CODE, FREQUENCY, RATE, and VENDOR RATE. A single service is listed for site 2757, starting on 04/15/20, with a quantity of 1 and a rate of \$0.00 per month. A modal window titled "EDIT SERVICE" is open, showing details for a "10 Yard Roll Off" service. It includes fields for "RENT FREE DAYS" (0), "DAILY RATE" (0.00), "ESTIMATED" (Monthly), "REVENUE", "UNITS", and "UOM". A "MAP" section shows a location in the Greater Heights area. Below the map is a "SERVICE CHARGES" table with columns: SERVICE CHARGES, RATE, UOM, NO CHARGE QTY, EST QTY, MINIMUM TYPE, MINIMUM, OVER MAX WEIGHT, OVER MAX WEIGHT RATE, and WORK TYPES. The table lists charges for Disposal Fee, Trip Charge, Delivery, Haul Fee, and Relocate. A search dropdown is open in the bottom right corner, showing a list of service charges including Administrative Fee, Bulk, Container Removal Fee, Disposal Fees Asphalt, Disposal Fees Environmental, Equipment Usage Fee, Inactivity Fee, and Monthly Inactivity Fee.
