

# Dispatch - Start Date/End Date and Times Added to Disposal / Ship Record (14170) [Enhancement]

Last Modified on 01/30/2023 3:25 am EST

The previous Date and Time fields in a Disposal/Ship Record have been renamed to Start Date and Start Time. In addition, two new fields 'End Date' and 'End Time' were also added to the screen.

The screenshot shows a web form titled "ADD DISPOSAL/SHIP RECORD". The form is divided into several sections. At the top, there are four date and time fields: "START DATE", "START TIME", "END DATE", and "END TIME", which are highlighted with a red rectangular box. To the right of these are "DESTINATION/ ORIGIN" and "TANK" dropdown menus. Below this is a row with "TRANSPORT METHOD" (dropdown), "VEHICLE ID" (text input), and "EXTERNAL TICKET #" (text input). The next row contains "MATERIAL" (dropdown), "WEIGHT IN" (text input), "WEIGHT OUT" (text input), "QTY" (text input with value "0"), "UOM" (dropdown), "MIN QTY" (text input with value "0"), "DISPOSAL RATE" (text input), "FEE1" (text input), "FEE2" (text input), and "TOTAL COST" (text input). Below these is a large "NOTES" text area. At the bottom left, there is a "Ticket Image" button and a green plus icon in a circle.

Pathway: *Operations > Dispatch > Select value from Serviced column > Click on location from Services List*
