

# Accounts - AR History Credit Cards On File Changed To Payments On File (14413)

Last Modified on 01/25/2023 3:12 pm EST

Previously, an issue prevented the count for *Credit Cards On File* from displaying on the account's AR History screen. This has been resolved and *Credit Cards on File* has been renamed to *Payment Methods On File*. In addition, a Refresh button has been added to the right of the Search box to refresh the screen with recent changes.
