

Customer - Create Account information Service Region not populating as expected (13925)

Last Modified on 01/23/2023 3:07 pm EST

Previously the Service Region / Surcharge Group / Tax Region cleared when a matching Map Area is not found. Now when you select your template it automatically populates those areas as expected.

Pathway: Customer > Add Account > (select new account template)

Articles: N/A
