

Work Type - New Photo Prompt Option (13645)[Enhancement]

Last Modified on 01/23/2023 3:07 pm EST

An enhancement has been made to Work Type that controls whether or not a driver will be required to take and upload a picture when the job is complete. Field 'Enable Driver Photo Prompt' has been added and includes the following options:

- **No** - the option for the driver to upload a photo is available but no prompt will display.
- **Yes** - the driver will be prompted to upload a photo but can decline and move past the screen.
- **Required** - Driver is required to take a photo and can't move past the screen until complete.

The screenshot shows the 'UPDATE WORK TYPE' form with the following fields and values:

Field	Value
ID	FL_MOVE
NAME	FL Move
