

User Profile - New 'Locale' Option Added (14132) [Enhancement]

Last Modified on 01/27/2023 12:26 am EST

A new feature, 'Locale' has been added to the menu options list in User Profile. Upon selection, the system translates each tool and field into the user's preferred language. This is a one-time change that does not require selection each time the user logs in.

Language additions to this list are ongoing.
