

# Operations (Dispatch) - Added Option To Include Ticket Image With Invoice (14266) [Enhancement]

Last Modified on 01/26/2023 9:05 am EST

An 'Include Ticket Image With Invoice' checkbox has been added to both the Add and Edit Disposal/Ship Record screens. Select the check box and the image will be included on the invoice. This applies to single invoices only and may not be supported with all invoice formats.

Supported File Formats: JPG, PNG and PDF

The screenshot shows the 'EDIT DISPOSAL/SHIP RECORD' form with the following fields and values:
