

Operations (Dispatch) - Route Labor Summary Edit Hours Fields (14272) [Enhancement]

Last Modified on 01/26/2023 9:57 am EST

An update was made to the *Route Labor Summary* tool available in Dispatch ('Crews' grid view) to allow editing of the Scheduled Hours and Actual Hours fields.

The screenshot displays the 'Route Labor Summary' interface in the Dispatch system. The main window shows a grid of routes for Tuesday, Nov 1, 2022. A red box highlights the 'Crews' dropdown menu. A red arrow points from a route entry to a pop-up window titled 'ROUTE LABOR SUMMARY'. This window contains a table with columns for 'TECHNICIAN', 'SCHEDULED HOURS', 'ACTUAL HOURS', and 'NOTES'. The 'ACTUAL HOURS' field for the technician 'Chuck Daniels, DC - Sew (Not Available)' is highlighted with a red box and contains the value '4.00'. The 'SCHEDULED HOURS' field for the same technician is highlighted with a green box and contains the value '2'. The 'NOTES' field contains 'Crystal Smith - Customer Service Rep B...'. The main grid shows columns for 'ROUTE', 'CREW MEMBERS', 'LABOR SUMMARY', 'MATERIALS', 'TRUCK', 'DRIVER', 'PRE TRIP', 'POST TRIP', 'SCHEDULED', 'SERVICED', 'PENDING', 'DO NOT SERVICE', and 'EXCEPTIONS'. The 'SCHEDULED' and 'SERVICED' columns are highlighted in yellow.
