

# Bulk Update - Results of Auditor Update Were Not Displaying as Expected in Account Information(14079)

Last Modified on 01/26/2023 11:07 am EST

Previously, when the **Bulk Update** tool was used for Auditor information changes, the change was not displaying in either the Edit or View options for an account. This has been fixed.

The screenshot shows a web interface for account management. The main page displays account details for 'Navusoft Test' (ID 44556) at '1234 Yale St, Houston, TX 77008'. The account is 'Active' and managed by 'Aliena Somers'. A modal window titled 'EDIT ACCOUNT' is open, showing a form with various fields. The 'AUDITOR' field is highlighted with a red box and contains the name 'Aliena Somers'. Other fields include 'NAME', 'ADDRESS LINE 1', 'CITY/STATE/POSTAL CODE', 'PHONE', 'BILLING PHONE', 'FAX', 'BILLING CONTACT 1', 'BILLING CONTACT 2', 'PARENT ACCOUNT', 'BILLING' (with 'BILL GROUP' set to 'Clearwater Monthly Advance'), 'AP' (with 'REBATE PAYMENT TYPE' set to 'Not Applicable'), 'INSTRUCTIONS', and 'WARNING ON OPEN'. The modal has 'SAVE' and 'CANCEL' buttons at the bottom.
