

# Dispatch (Service Notifications View)- Sent Column Link Updated (14117)

Last Modified on 01/30/2023 3:34 am EST

Previously, an issue prevented results from populating after a link was selected from the Sent column of the Dispatch screen. This has been resolved.

The screenshot displays the Dispatch (Service Notifications View) interface. At the top, there are filters for FROM (09/20/22), TO (09/20/22), DIVISION (Augusta, Clearwater, NWA, Oldsmar, Orlando, Sarasota, Topeka, Training Division), and LINE OF BUSINESS (Residential, Roll Off, Front End Load). Below these are buttons for 'Service Notifications', 'Select Route Sheet', and other actions. The main table has columns: ROUTE, SENT, NOT RESPONDED, and KEEP AS SCHEDULED. The data is filtered for 'Tuesday Sep 20, 2022 (0 of 21 Completed)'. A red arrow points to the '2' in the SENT column for route 04-104, labeled 'Select Link'. Below the table is a 'SERVICES LIST' window showing details for routes 04-104, including location, scheduled date, WO#, WO TYPE, SERVICE TYPE, MATERIAL TYPE, QTY, and RESPONSE.
