

Account Portal - Account Portal Updated to Reflect Currency Code Selected in NavuCore (14122) [Enhancement]

Last Modified on 01/30/2023 3:48 am EST

An update has been made to Account Portal to use the currency code selected in NavuCore under Setup > System > System Options > Currency field.

| System | Sales | Integration | Account | Operations | A |
|------------------------|--|-------------|---------|------------|---|
| ENVIRONMENT | <input type="text"/> | | | | |
| DIVISION LABEL | <input type="text" value="Division"/> | | | | |
| EXTERNAL ID LABEL | <input type="text" value="Old ID"/> | | | | |
| SITE CLASS LABEL | <input type="text" value="Site Class"/> | | | | |
| AUTO REFRESH TIME | <input type="text" value="2"/> | | | | |
| FAST AUTO REFRESH TIME | <input type="text" value="1"/> | | | | |
| TIME ZONE | <input type="text" value="Central Standard Time"/> | | | | |
| CURRENCY | <input type="text" value="US Dollar"/> | | | | |
| LOCALE | <input type="text" value="United States (English)"/> | | | | |

Pathway: Setup > System > System Options
