

Tasks - Task Count Logic Updated (14053)

Last Modified on 01/30/2023 1:55 am EST

Logic has been updated to Task 'count' to only include the logged in user's assigned tasks in the red bubble displayed above the Task icon.

The screenshot shows a software interface with a top toolbar containing several icons. A red bubble with the number '1' is positioned above the task icon. A red arrow points from this bubble to a yellow 'COUNT 1' label in the 'ASSIGNED TASKS' table. The table has columns for PRIORITY, STATUS, NAME, TYPE, DUE DATE, CREATED BY, and ASSIGNED TO. A single task is listed with a priority of 'Low', status of 'Open', name 'Navusoft_Setup 8100 Washington Ave Houston', type 'Driver Note', due date '09/14/22', and assigned to 'Aliena Somers'.

PRIORITY	STATUS	NAME	TYPE	DUE DATE	CREATED BY	ASSIGNED TO
Low	Open	Navusoft_Setup 8100 Washington Ave Houston	Driver Note	09/14/22	Aliena Somers	Aliena Somers
