

Accounts - Service History Grid Updated to Display Route Name (14574)

Last Modified on 01/25/2023 3:42 pm EST

Previously, Route ID displayed on Service History grid for an account. This has been updated to display the Route Name.

The screenshot shows a table titled "SERVICE HISTORY (19)" with a "Dispatch" dropdown menu and a share icon. The table has four columns: "ROUTE", "SEQ ↑", "ORDER NOTE", and "SCHEDULED DATE ↑". The "ROUTE" column is highlighted with a red box. The table contains eight rows of data, with alternating row colors (white, yellow, white, yellow, white, yellow, white, yellow). The "ROUTE" column contains the value "11-100" for all rows. The "SCHEDULED DATE" column contains dates from "Wed 11/2/22" to "Wed 12/14/22".

ROUTE	SEQ ↑	ORDER NOTE	SCHEDULED DATE ↑
11-100			Wed 11/2/22
11-100			Wed 11/9/22
11-100			Wed 11/16/22
11-100			Wed 11/23/22
11-100			Wed 11/30/22
11-100			Wed 12/7/22
11-100			Wed 12/14/22
