Last Modified on 01/30/2023 2:15 am EST

Previously, when a task was opened from the Pending section of the customer's account, the 'Created By' field and the task note did not display. This issue was resolved.

The screenshot displays the Navusoft Setup interface for account 2626. It includes account information, a table of balances, highlights, and a pending task. A red box highlights the pending task entry.
