Pathway: Accounting > AR Aging Management

The AR Aging Management screen categorizes a company's accounts receivable according to the length of time an invoice has been outstanding. In addition, users can take action on targeted past-due accounts by sending past due notification emails, generating past due notification letters, changing the status of an account, or recording notes and tasks to follow up on at a later time.

Field Descriptions

The following fields and filters are displayed when viewing the AR Aging Management screen:

Field	Description
Filter Fields	
Division Required	Filters to only include accounts of the selected division. Select all to include all divisions.
Type Required	Filters by: AR Age By Invoice Date, AR Aging By Past Due Date and AP Aging.
Account Class	Filters by the Account Class - Commercial, Residential, Government, etc.
Term	Filters by the following terms for when invoice payments are due: All, Due Upon Receipt, Net 15, Net 20 and Net 30
Bill Group	Filters on the Bill Group associated with each account.
Account Manager	Filters to only include accounts assigned to the Account Manager selected.
Account Status	Filters to only include the selected Status'. This filter allows for multiple selections.
Collection Agency/Group	Filters to only include accounts assigned to the selected Collection Agency/Group.
Collection Agent	Filter to only include accounts reviewed by the selected Collection Agent.
Min. Past Due Balance	Enter a minimum past due balance amount to only load the accounts that have a balance greater than or equal to the entered value. Does not support or include negative values.
Contact/Account Information	Toggle between the Account Information and Contact Information screen views. This will change the fields that are displayed on the screen.
Aging Buckets	

Field	Description
	Displays the total amount being billed for on current invoices.
Current	A negative value indicates an over-payment was made on the most recent (current) invoice.
1-30 Days 31-60 Days 61-90 Days 91-120 Days 120+ Days	Totals the amount for each category of past-due invoice periods. 1-30 Days: Invoices that are 1-30 days past their due date. 31-60 Days: Invoices that are 31 to 60 days past their due date. 61-90 Days: Invoices that are 61 to 90 days past their due date. 91-120 Days: Invoices that are 91-120 days past their due date. 120+ Days : Invoices that are more than 120 days past their due date. Apply a <i>Quick Filter</i> to review and take action on a specific category of past due accounts.
Total	Calculated as the Sum of all current and past due invoice totals.
Other Fields	
Select Quick Filter	Apply a Quick Filter to filter what has already been returned to a specific set of accounts. For example, run a quick filter to only see a list of accounts that are 120+ days past due.
Search	Provides a keyword search that may include numeric values and special characters. This tool searches across all rows and columns and returns matching words or values.
Export to Excel (icon)	Exports everything currently being displayed on the AR/AP Aging Management screen into an Excel file. This does not export only the accounts where the selection box was checked.
Print Past Due	Generates a past-due notification letter for the selected accounts. Includes an option to exclude invoice by email customers.
Notifications (icon)	If a note is entered into the Notes field when generating the letter, the note will display on the calendar day the letter was generated in the customer's account. Notes entered here are for internal purposes and may be used as a way to record when the letter was prepared.

Load Accounts

- 1. Select a **Division**. Only one division can be selected at a time.
- 2. Select the **Type** of AR aging you would like to view.
 - 1. Optional make a selection from any of the following **filters** to further narrow down the returned results.
 - 2. Account Class
 - 3. Term
 - 4. Bill Group
 - 5. Account Manager
 - 6. Account Status
 - 7. Auditor
 - 8. MIN. Past Due Balance

Apply a Quick Filter

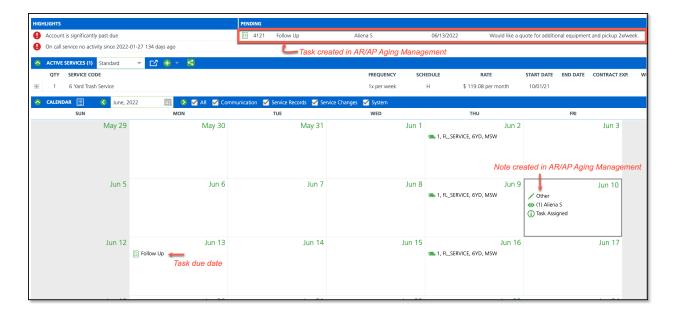

Quick Filters provide an additional way to further drill down and target specific accounts to review and take action on. For example, you may apply a quick filter to only show accounts 1-30 days past due so a past-due email reminder can be sent. Quick Filters are only available after accounts have been loaded.
