Pathway: [Accounts](#) > [Account Screen](#)

The Dot Description defaults to the description given to the Charge Code. Select the EPA icon from the customer's site to edit this description if needed. EPA Waste Codes can also be added and removed from this location.

The DOT description prints on the Manifest.

The screenshot displays the account management interface. At the top, there are balance fields showing 0.00 and 132.93. A 'PENDING' status is shown. Below this, a 'HIGHLIGHTS' section indicates the account is significantly past due. The 'ACTIVE SERVICES (2)' section lists two services: '15 Yard Open Top Service' and 'Regulated Medical Waste Service'. The 'Regulated Medical Waste Service' is selected, and a popup window titled 'SITE EPA CHARGE CODE DETAILS' is open. This popup shows the 'DOT DESCRIPTION' as '18 Gal Box Per Container - RMW DOT' and lists 'EPA WASTE CODE' options: 'F002 Non-Halogenated' (disabled) and 'F003' (enabled). A 'SAVE' button is visible at the bottom of the popup.
