Overview of Note Types

Note Type	Description	Visible On...
Account Level Notes <i>Notes and warnings added at the account level will display for all sites linked to the account.</i>		
Related Article Link: Account Level Notes		
Warning on Open	Displays as a pop-up warning anytime the account is accessed. Warnings entered here will display for all service locations linked to the account. <i>Example: "Only Denise or Bill are authorized account contacts"</i>	NavuCore
One Time Note	Enter a one-time note at the account level and the note will display on the designated calendar day for each site. <i>Example: "Fax all site invoices for May to Bill (555)555-1234"</i>	NavuCore
Site Level Notes <i>Notes and warnings added at the site level will only display for the site the note was added.</i>		
Related Article Link: Site Level Notes		
Warning on Open	Displays as a site-specific pop-up warning anytime the site is accessed. <i>Example: "Only John D. can cancel a service"</i>	NavuCore

Note Type	Description	Visible On...
Access Information	Used for conveying information the driver will need to access a location. <i>Example(s): "Use door in back" or "Gate Code: (555589)"</i>	NavuNav (Drivers) NavuCore
One Time Note (Site)	Enter a one-time note at the site level and the note will only display on the designated calendar day for the site it was entered. <i>Example: "Billing inquiry to add an additional container"</i>	NavuCore
Service Notes	Notes that are specific to a service. These can be displayed as a one-time note using start and end dates, or a continual note by omitting the end date. <i>Example: "Always leave container on the right side of the property"</i>	NavuNav (Drivers) NavuCore
Work Order Notes	Add a note to a work order for the driver to see. <i>Example: "Drop-off one extra container"</i>	NavuNav (Drivers) NavuCore
