

Setup (Services) - Field Removed in Charge Code Screen (14717) [Enhancement]

Last Modified on 01/25/2023 4:45 pm EST

The 'Enable Work Order Charge Description' field has been removed from the Add Charge Code and Update Charge Code setup screens. Removal of the setup field has also removed it from display in work order grids and dispatch screens.

The screenshot displays the 'UPDATE CHARGE CODE' interface with the following fields and values:

Field Name	Value
