

Operations - Phone Field Formatting Updated (14826)

Last Modified on 02/27/2023 1:42 pm EST

Formatting to phone fields in both the *Add and Update Disposal / Ship Location* editors have been updated.

The screenshot displays the 'DISPOSAL / SHIP LOCATION SETUP' interface. At the top, there are filters for 'TYPE' (All) and 'DIVISION' (All). Below this is a table with columns: ID, NAME, TYPE, ACTIVE, CITY, STATE, and ZIP. The table lists items from 1001 to 1015. A modal window titled 'ADD DISPOSAL / SHIP LOCATION' is open, showing two tabs: 'Basic Settings' and 'Scale Settings'. The 'Basic Settings' tab is active. The form contains the following fields:

- NAME: Text input
- ABBREVIATION: Text input
- TYPE: Dropdown menu (selected: Landfill)
- DIVISION: Dropdown menu
- ADDRESS LINE 1: Text input (placeholder: Enter a location)
- ADDRESS LINE 2: Text input
- CITY: Text input
- STATE: Text input
- ZIP: Text input
- PHONE: Text input with a dropdown menu showing a US flag and the format '(999) 999-9999'. This field is highlighted with a red box.
- CONTACT NAME: Text input
- EPA ID: Text input
- STATE ID: Text input
- MANIFEST SIGNATURE NAME: Text input
- ACTIVE: Dropdown menu (selected: Active)
- ENABLE INBOUND ORDER: Dropdown menu (selected: No)
- ENABLE OUTBOUND ORDER: Dropdown menu (selected: No)
- OWNERSHIP: Dropdown menu (selected: Internal)
- DEFAULT UOM: Text input
- DEFAULT TRANSPORTATION METHOD: Dropdown menu
- GEOFENCE RADIUS (METERS): Text input
- AVERAGE DURATION (MINS): Text input with a spinner
- ONLINE ICON: Text input (placeholder: Select Icon...) with a 'BROWSE...' button
- SIGNATURE: Text input (placeholder: Select Signature) with a 'BROWSE...' button
- Automatic Transfer Work Order: Section with a search icon and a magnifying glass icon
- SITE ID: Text input
- SITE NAME: Text input
- SERVICE CODE: Text input
- EVENT TYPE: Text input

A 'SAVE' button is located at the bottom of the modal.

Pathway: Setup > Operations > Disposal / Ship Location
