

# Site Inventory - Add/Edit Truck Screen Updated (14979)

Last Modified on 03/15/2023 4:59 pm EDT

The following changes have been made to Add/Edit Truck in Site Inventory:

1. The Division field will populate with the site's division. Field is read-only.
2. Fields removed:
  - o Fuel Type
  - o Vehicle Inspection Type
  - o VIN
3. Tabs removed:
  - o Onboard Scale
  - o Camera System

The screenshot displays the 'Site Inventory' interface. At the top, a site card for '48929001 The Ice Cream Shop' is visible, showing address and phone information. A red box highlights the 'Inventory' icon in the site's navigation menu. Below this, a table lists site details such as 'Active', 'Division: HOUSTON', 'Sales Region: HOUSTON OPEN MARKET', and 'Tax Region: ARANSAS COUNTY'. The 'ADD TRUCK' modal form is open, showing fields for 'NAME', 'DIVISION' (populated with 'HOUSTON'), 'TRUCK TYPE', 'LICENSE PLATE', 'LINE OF BUSINESS', 'OWNERSHIP' (Third Party), and 'SITE' (48929001). A 'Capacity' section includes 'VOLUME CAPACITY', 'COMPACTION RATIO', 'WEIGHT CAPACITY', and 'TARE WEIGHT', each with a 'UOM' dropdown. A 'SAVE' button is at the bottom of the form.

Pathway: Accounts > Search > Account (customer service screen) > Inventory icon (under Site)
