

# Service Code - 'Bill Zero Amount' Added to Setup (15027) [Enhancement]

Last Modified on 04/05/2023 9:27 am EDT

A 'Bill Zero Amount' billing setting has been added to Service Code setup. Options for this setting include 'Yes' or 'No'.

The screenshot shows a web form titled "ADD SERVICE CODE" with a "Service Code" tab. The form contains various fields for configuring a service code, including text boxes, dropdown menus, and checkboxes. The "BILL ZERO AMOUNT" field is highlighted in yellow. A "SAVE" button is located at the bottom center of the form.

| Field Name                | Value                         | Field Name                 | Value |
|---------------------------|-------------------------------|----------------------------|-------|
| SERVICE CODE              |                               | ACTIVE                     | Yes   |
| NAME                      |                               | ENABLE ROUTING             | No    |
| LINE OF BUSINESS          |                               | REQUIRE FREQUENCY          | Yes   |
