

Fuel Source Setup

Last Modified on 04/09/2026 12:44 pm PDT

Pathway: Setup > Operations > Fuel Source

The Fuel Source tool is used to record the fueling locations used by trucks. Fuel source information is displayed in Dispatch under the Productivity view.

Add Fuel Source Field Descriptions

Fields	Descriptions
Name <i>Required</i>	The name of the location (i.e. gas station) the fuel is from.
Ownership <i>Required</i>	Indicates if the fuel location is internally or externally sourced. <ul style="list-style-type: none">• External -Fuel source is an outside vendor fueling/gas station.• Internal - Fuel is sourced internally from the company.
Address Line 1 <i>Required</i>	The street address of the location. This field is geocoded and will populate possible matches as you enter the location's name or address. Select the correct address when it displays.
Address Line 2	Provides an additional space for entering supplementary information related to the location's address (Unit, Apt, Suite, PO box, and etc.).
City/State/Postal Code <i>Required</i>	The City, State, and Postal Code for the address.

Phone	The phone number for the fuel company.
Note	Internal note related to the fuel source.

Add Fuel Source

1. Select the **green +** icon to open the Add Fuel Source tool.
2. Complete the following required fields:
 - o Enter a **Name** for the fuel source.
 - o Select the **Ownership** of the fuel source.
 - o Enter the complete **Address** for the fuel source.
3. Complete additional fields based on your company's setup requirements.
4. Click **Save** when finished.

Fuel Source Map

Use the Fuel Source Map to view each of the fuel locations listed on a map. Click the location's pin to view the address.

The screenshot displays the 'FUEL SOURCE SETUP' interface. At the top, there is a search bar and a green plus icon. Below this is a table with the following data:

ID	NAME	OWNERSHIP	ADDRESS	PHONE	NOTE
1000	new fuel	Internal	777 Alameda St Los Angeles, CA 90021		
1001	arco	External	1255 N Highland Ave Los Angeles, CA 90038-1206		
1002	Mobil	External	6601 Melrose Ave Los Angeles, CA 90038-3409		
1003	76	External	6678 Santa Monica Blvd Los Angeles, CA 90038		

Below the table is a 'FUEL SOURCE MAP' section. A red arrow points from the green plus icon in the table to the map. The map shows a street view of Los Angeles with several fuel source locations marked with colored pins. A red box highlights a specific location with a pin, and a tooltip displays the following information:

76
6678 Santa Monica Blvd
Los Angeles, CA

The map also includes a legend in the bottom right corner with the following entries:

- new fuel (green pin)
- arco (orange pin)
- Mobil (blue pin)
- 76 (red pin)
