

Customer Portal - Excel Export Added to Service Map (14894)

Last Modified on 04/20/2023 4:46 pm EDT

An Excel export icon has been added to the Municipal view of the Customer Portal. Upon selection, information similar to what is displayed in the Services List will be exported with the addition of two new columns to capture the completion timestamp and completion status.

The screenshot displays the 'Service Map' interface in the Customer Portal. At the top, there is a 'SELECT ACCOUNT' dropdown menu set to '32457 TLC CONSTRUCTION'. Below this are tabs for 'Accounts Receivable', 'Service Map', 'Requests', and 'Disposal Tickets'. The 'Service Map' tab is active, showing a map of Central City with various service locations marked. A red box highlights an Excel export icon (a green square with a white 'X') in the top right corner of the map area. Below the map is a data table with columns for service details. A red arrow points from the Excel icon to the table.
