

# Route Management - Export/Import Buttons Updated In Current Tab (14639)

Last Modified on 04/17/2023 11:46 am EDT

The Excel icon that previously displayed on the Current tab's screen has been replaced with an Export button. Additionally, an issue has been resolved that produced an error and prevented route changes from being applied when Import was used.

Pathway: *Operations > Route Management > Current tab*
