

# Customer Portal - Option to Generate PDF of Recycle Composition Report (14966) [Enhancement]

Last Modified on 04/19/2023 2:36 pm EDT

The option to generate a PDF download of the Recycle Composition Report has been added to the Customer Portal. Upon selecting the PDF icon the PDF report will generate in a new window.

The screenshot shows the Customer Portal interface. On the left, there are sections for 'SELECT ACCOUNT' (48934 Smiths), 'TEST MESSAGE TESTING' (TOTAL DUE \$ 0.00, PAST DUE \$ 0.00), and buttons for 'Make a Payment', 'Invoice History', and 'Manage Auto Pay'. On the right, there is a 'SELECT SERVICE LOCATION' dropdown (48934001 Smiths Waste Drop 1829 Sam Houston St, Liberty TX) and a 'RECENT SERVICES' table. Below the table is a 'Recycling Composition Report' preview for 2023, showing a pie chart and a tree icon with the text 'You saved 0 tree(s)'. A red arrow points to a PDF icon in the top right corner of the report preview.
