

# Truck Type

Last Modified on 05/18/2023 3:15 pm EDT

**Pathway:** [Setup > Operations > Truck Type](#)

Truck Type Setup establishes and defines the distinct types of trucks utilized within the system and assists in turn-by-turn navigation by restricting the road options available to a specific truck type. This setup process further involves assigning specific truck types to individual trucks within the [Setup > Operations > Truck](#).

## Truck Type Setup Field Descriptions

Fields	Descriptions
<b>Name</b> <i>Required</i>	The name of the Truck Type.
<b>External ID</b>	The identification number used externally.
