Last Modified on 05/05/2023 12:06 pm EDT

The Available Charge Code Setup screen has been updated to sort charge codes in alphabetical order.

The screenshot shows the 'AVAILABLE CHARGE CODE SETUP' interface. At the top, there are three dropdown menus: 'LINE OF BUSINESS' set to 'Residential', 'DIVISION' set to 'CORPUS', and 'SERVICE REGION' set to 'CORPUS OPEN MAR'. Below these is a table with two columns: 'CHARGE CODE' and 'MATERIAL TYPE'. The 'CHARGE CODE' column is highlighted with a red border and contains the following items, sorted alphabetically: Adjustment-Residential, Bulk Pickup, Cart Removal, Cart Swap, Dayton Pink Tag, Municipal Commercial-Cart, Municipal Commercial-Hand, Municipal HHW, Municipal Residence-Cart, Municipal Residence-Extra Cart, Municipal Residence-Hand, Paper Bill Fee - Residential, and Rear Load Delivery. The 'MATERIAL TYPE' column contains 'MSW' for 'Bulk Pickup' and is empty for all other items.
