Account sorting logic has been updated for all account drop down lists in the Customer Portal to sort by Account ID.

The screenshot displays the Customer Portal interface with two overlapping panels. The background panel shows the 'SELECT ACCOUNT' dropdown with options 1054, 1045, 1054, 1066, and 1081. The foreground panel shows the 'SELECT SERVICE LOCATION' dropdown with options 1054001 through 1054014. Below the dropdowns, the interface displays a 'TOTAL DUE' of \$ 6,870.80 and a 'PAST DUE' of \$ 6,870.80. There are buttons for 'Invoice History' and 'Reports'. At the bottom, there is a 'REQUESTS' section with a link to 'CLICK HERE TO SUBMIT ONLINE REQUEST'. The dashboard also features a pie chart for the year 2023, showing waste management data for 'All Sites'. The pie chart is divided into 14 categories, with the largest category being PVC at 30.67% (1770 units). A message states 'You saved 0 tree(s)' with a tree icon.
