In *Disposal / Ship Location Setup*, if the location's Ownership field is set to 'Internal', a new field 'Rate For Internal Trucks' will display on Add Disposal Rate.

The screenshot displays the 'DISPOSAL / SHIP LOCATION SETUP' interface. It features a table of disposal locations and an 'ADD DISPOSAL RATE' modal form. The table lists various locations with columns for ID, NAME, ABBREV, DIVISION, TYPE, ACTIVE, ADDRESS LINE 1, CITY, STATE, POSTAL, SCALE, and UOM. The 'ADD DISPOSAL RATE' form includes fields for Disposal Location, Material Type, Origin, Effective Date, Rate, Rate UOM, and a newly added field 'RATE FOR INTERNAL TRUCKS' which is highlighted with a red border. Other fields in the form include Minimum Quantity, Note, Fee 1, Fee 1 Type, Fee 1 Name, Fee 2, Fee 2 Type, and Fee 2 Name. A 'SAVE' button is located at the bottom of the modal.
