Last Modified on 06/08/2023 9:21 am EDT

The Customer Portal's Service Map has been improved to include both the Service Point and Site Location pins. When hovering over either pin, a tool tip displays showing the inventory information for the service.

The screenshot displays the 'Service Map' interface within the Customer Portal. At the top, there is a 'SELECT ACCOUNT' dropdown menu set to '12345 Navu CONSTRUCTION INC'. Below this are navigation tabs for 'Accounts Receivable', 'Service Map', 'Requests', and 'Disposal Tickets'. The 'Service Map' tab is active. The map area shows a Google Map of Houston with various neighborhoods labeled. A green pin with an 'S' (Site Location) is placed near Crosby and Barrett. A tooltip is open over this pin, displaying the following information:

- Navu CONSTRUCTION INC (12345002)
- Site 002 Service Point, 12345 CRUISE TERMINAL DRIVE SEABROOK, TX 77586 (555) 555-1234

At the bottom of the map, there is a legend indicating 'Active' with a green square. The bottom right corner of the map area contains links for 'Keyboard shortcuts', 'Map Data ©2023 Google, INEGI', 'Terms of Use', and 'Report a map error'.
