

Transporter - Emergency Response Message (15296) [Enhancement]

Last Modified on 06/15/2023 2:30 pm EDT

A recent update has been implemented to incorporate the Emergency Response Message into the standard manifest format. This message can now be included by entering it in the 'Emergency Response Message' field found within the Transporter Setup.

	This is the emergency response message Phone: (800) 888-1234	REV. 08212020
