Last Modified on 07/31/2023 10:52 am EDT

An enhancement has been made to the Completion tab in the Service Record screen for transfer manifests to include a 'Transfer Receipt Date' field. This field will only display if "Destruction Date" is enabled in Work Type Setup.

The screenshot displays the 'Completion' tab of a Service Record screen. At the top, there are input fields for GROSS WEIGHT, TARE WEIGHT, and NET WEIGHT, along with START and END date pickers. Below this is a navigation bar with tabs for Charges, Payments, Completion, Attachments, Photos, and Timeline. The main content area shows a status bar with 'START 07/21/23 2:08 pm' and 'Lori Sheldt - Admin-NS setting status to IN PROGRESS'. A red box highlights the 'TRANSFER RECEIPT DATE' field, which is a date picker. To its right is the 'DESTRUCTION DATE' field, also a date picker. Below these fields is a red error message: 'No Driver Signature / No Customer Signature'. A large text area for 'COMPLETION/EXCEPTION NOTES' is located below the error message. At the bottom of the screen, there is a 'Select Print Format' dropdown, a printer icon, and a 'SAVE' button.
