Last Modified on 08/11/2023 9:26 am EDT

A new Confirmation popup has been added to active services. This popup will be displayed when a user tries to edit a service included in an open rate update batch. To proceed, the user must select either 'Yes' or 'No'.

- Yes: Opens the edit screen and excludes the service from the rate update.
- No: Closes the confirmation window and does not open the edit feature.
