Last Modified on 08/21/2023 8:11 am EDT

Within the Rate Update Batch Details, the Contract Expiration date is now a hyperlink that, when clicked, will open and allow viewing of the associated contract.

The image shows two overlapping screenshots from a software application. The background screenshot is titled "SITE SERVICE CHARGE RATE UPDATE BATCH: 1020". It features a table with columns: "CURRENT RATE", "NO CHARGE QUANTITY", "NEW RATE", "VARIANCE", "CURRENT WO MINIMUM", "NEW WO MINIMUM", "CONTRACT EXPIRATION", "ACCOUNT CLASS", "BILL GROUP", and "SERVICE REGION". The "CONTRACT EXPIRATION" column contains dates like "11/06/2022", "12/11/2022", and "10/21/2022". A red box highlights the date "11/06/2022", and a red arrow points from it to the foreground screenshot.

The foreground screenshot is titled "EDIT SERVICE CONTRACT - SIGNATURE (NEW) - 3428". It contains a form with the following fields and values:
