

System (Permissions) - Logic Updated to Restrict User Ability to Delete Notes (15693)

Last Modified on 08/31/2023 9:48 am EDT

Previously, an issue with permission logic allowed a user to delete another user's notes regardless if their user account had the permission or not. This has been fixed.

PERMISSION SETUP				
MODULE			Note	
PERMISSION ID	NAME	DESCRIPTION	MODULE	DOCUMENTATION TOPICS
14	Create note		Accounts	0
15	Edit note for self		Accounts	0
16	Delete note for self		Accounts	0
17	Edit note for others		Accounts	0
