

# Order Processing/Edit Service - Date and Label Discrepancy Between Work Order and Order Processing Screen (15585)

Last Modified on 09/01/2023 1:06 pm EDT

An issue has been resolved that caused a discrepancy between the date and label displayed on the Order Processing screen and what appeared on the work order when a service was edited.

08/01/23 12:58pm **WALMART (#2439) - DAY-525**
