

# Manifest Consolidation - Unable to Remove Label From an Open Batch (15631)

Last Modified on 09/01/2023 2:27 pm EDT

We have resolved an issue that previously prevented the removal of a label from an open batch in Manifest Consolidation.

The screenshot displays a software interface titled "MANIFEST CONSOLIDATION BATCH 1015 LABELS". At the top, there is a search bar and a dropdown menu for "MATERIAL TYPE" set to "PHARMA". Below this is a table with the following columns: SITE, CHARGE CODE, EQUIPMENT, MATERIAL TYPE, WO #, LABEL, GROSS WEIGHT, NET WEIGHT, SCANNED TIME, and PICK UP DATE. A single row is visible with the following data: Liberty Site, 30 Gal Box Per Container - Pharma, 30 Gal Box, PHARMA, 6135375, 6135375-96903-002, 27, 27, 8/10/23 9:1... By: Lori Sh..., and 7/19/23 44 Days old. A red minus sign icon is located to the right of the last cell in this row. A confirmation dialog box is overlaid on the table, containing the text "CONFIRMATION" and "Are you sure you want to remove this link from selected batch?" with "YES" and "NO" buttons. A red arrow points from the dialog box to the red minus sign icon.
