Vehicle Inspection Results Report

Last Modified on 09/21/2023 4:14 pm EDT

Pathway: *Reports > Standard Reports > Operations > Vehicle Inspection Results*

The Vehicle Inspection Results report provides inspection results recorded by the driver for a specific vehicle during a period of time indicated by the start and end dates.

Required Permissions

The following permissions are required to run the Vehicle Inspections report:

Permission ID	Permission Name
134	Reports Main Menu
298	Standard / Operations Report

Parameters and Descriptions

Parameter	Description
Truck	Filters the report to a specific truck.
Start Date	Filters to pull results starting from the date entered.
End Date	Filters to include results until the end date entered.

Run The Report

1. Enter the required parameters the report applies to.
   - Select or enter the **Truck** you would like the report to pull inspection data on.
   - Select or enter the **Start Date** and **End Date** to create a window of time for the report to pull inspection data within.
2. Select **'Run Report'** or **'Run as Excel.'**
   - *Run Report:* results of the generated report will display in a new window tab.
   - *Run as Excel:* results will be exported to Excel for the user to open and view.
