Last Modified on 09/27/2023 2:33 pm EDT

An issue has been corrected to display a distinct value when search results are returned.

The screenshot displays the 'AR PAYMENT BATCH' interface. At the top, there are filters for PERIOD (Sep 2023), DIVISION (All), and BANK ACCOUNT (All). Summary statistics show Open 9 (\$3,373.94), Voided 0 (\$0.00), and Posted 13 (\$88,670.85). A search bar is located in the top right corner, with a red arrow pointing to it. Below the filters is a table with columns: BATCH #, DIVISION, TYPE, IS MERCHANT, STATUS, DATE, BANK ACCOUNT, BANK CLEARED DATE, COUNT, TOTAL, CREATED ON, and GL BATCH. The table contains 10 rows of payment data.
