

Rate Update Batches - Multi Select Option Added to Filters (15770) [Enhancement]

Last Modified on 09/27/2023 3:26 pm EDT

The multi-selection option has been added to both Add Rate Update Batch screens for the following drop down screen filters:

- Service Region
- Line Of Business
- Account Class
- Site Class
- Bill Group

The screenshot shows a web application window titled "ADD SITE SERVICE CHARGE RATE UPDATE BATCH". The form contains several filter sections: "DIVISION" (CORPUS), "SERVICE REGION" (ATASCA OAKS, A), "LINE OF BUSINESS" (Select LOB), "ACCOUNT CLASS" (COMMERCIAL, FI), "SITE CLASS" (COM, RO), and "BILL GROUP" (BULK EMAIL, CO). Below these filters are fields for "CHARGE CODE" (Select Charge Code(s)), "EFFECTIVE DATE", and "MONTHS AT CURRENT RATE". A "LOAD" button is located to the right of the "MONTHS AT CURRENT RATE" field. Below the filters is a table with columns: "SITE ID", "NAME", "CURRENT RATE", "NO CHARGE QUANTITY", "ACCOUNT CLASS", and "BILL GROUP". The "LINE OF BUSINESS" dropdown menu is open, showing a list of options with checkboxes: All, Commercial, Document Destruction, Hazardous Material, Landfill, Medical Waste, Miscellaneous, Residential, Roll Off, and Scale. A red box highlights the list of options.
