

Operations - Holiday Schedule Editor Updated (14371) [Enhancement]

Last Modified on 10/11/2023 3:56 pm EDT

Previously, when making changes to a holiday schedule item, only the "From Date" field was accessible for editing. This feature has been enhanced to include an editable "To Date" field as well.

The screenshot displays the 'HOLIDAY SCHEDULE SETUP' interface. At the top, there is a blue header with a plus icon on the left and a refresh icon on the right. Below the header is a table with columns 'NAME' and 'NOTE'. The table lists several items: 'Company Meetings', 'Christmas', 'St Patricks Day', 'Rolloff Schedule', and 'Commercial Schedule'. The 'Christmas' row is highlighted in green. A modal dialog box titled 'UPDATE HOLIDAY SCHEDULE ITEM' is open in the center. It contains the following fields: 'NAME' (Christmas), 'FROM DATE' (12/25/2023), 'TO DATE' (12/25/2023), and 'NOTE'. The 'TO DATE' field is highlighted in yellow. A red arrow points from the 'Holiday Schedule Items' tab at the bottom left to the dialog box. Below the dialog box, there is a table with columns 'NAME', 'FROM DATE', 'TO DATE', and 'NOTE'. The table lists 'Christmas' and 'Christmas 2024'.

| NAME | FROM DATE | TO DATE | NOTE |
|----------------|-----------|----------|------|
| Christmas | 12/25/23 | 12/25/23 | |
| Christmas 2024 | 12/25/24 | 12/25/24 | |

Pathway: Setup > Operations > Holiday Schedule
