In order to maintain consistency with other sections of the product, we have moved the "add site" icon to the left side of the Site Search screen.

The screenshot displays the 'SITE SEARCH' modal window. At the top left of the modal, there is a green plus icon (+) in a circle, which is the 'Add Site' icon. A red arrow points from this icon to the first row of the search results table. The table has the following columns: SITE ID, NAME, STATUS, OLD ID, ADD..., SITE CLASS, SALES REP, and DIVISION. The first row contains the following data: 48989001, The..., Active, 1 Day(s), 222..., Wh..., Ra..., Aliena Somers, HOUSTON. The background shows a site detail for 'The Perk' with address '2222 4th St, White Bear Lake, MN 55110-3044, Ramsey County, US' and status 'Active'. Other details include Division: HOUSTON, Service Region: HOUSTON OPEN MARKET, Sales Rep: Aliena Somers, and Source: Call In. The modal also shows a search bar with filters for 'Active, Exempt, Inactive' and 'COM, RO'. At the bottom right of the modal, it says 'Displaying 1 of 1'. At the bottom of the main screen, there are two items: 'Adjustment-Roll Off' and '(1) Aliena Somers'.
