

Dispatch - Vehicle Inspections Failing to Post if Driver Note is Too Long (15944)

Last Modified on 11/17/2023 3:01 pm EST

The Notes field on the Vehicle Inspection Results screen has been enhanced to accommodate 500 characters, resolving the issue where vehicle inspections were not being posted when drivers entered lengthy notes.

Vehicle Damage	Fail (PTO Leaks, Hoi		I am going to type a very long note to test the 500 character limit. it's going to take a very long note in order to get to the 500 character limit. I am also trying not to accidentally click below the space bar since it will close the note screen without saving the long note that it took me over 5 minutes to type. I am typing really slow. I still need about 200 characters. it looks like the 500 character limit is going to work. I am getting close. 50 characters to go and I'm very careful not to
