NOTICE TO CUSTOMERS—The maximum rate that may be charged by your trade waste removal business is regulated by the New York City Business Integrity Commission. If you should have a question or complaint concerning waste-removal, contact the New York City Business Integrity Commission.

The Business Integrity Commission (BIC) sets the maximum rates that private carters can charge for certain types of putrescible and recyclable waste removal services. A customer cannot be charged above the maximum rate, but the customer and carter can negotiate a rate below the maximum rate.

Effective as of October 31, 2022, the maximum rates allowed to be charged by the private carters are:

- \$24.21 per cubic yard of loose refuse (volume), or
- \$15.89 per 100 pounds of refuse (weight)

The customer and carter can negotiate whether the customer will be charged by volume or by weight.
