

Dispatch - Map Routes Button Not Loading Stops With NULL Route ID (16088, 16089)

Last Modified on 12/11/2023 8:58 am EST

Previously, if the route ID was null (blank) in Dispatch, the following issues occurred:

1. The Map Route button did not load stops that didn't have a route assigned to them. This has been fixed.
2. In the Weekly by Route view, clicking on the count to open the Services List did not return any stop records for null/blank routes. This has been fixed.
