

Accounts - Incorrect Email Was Showing When Sending Work Orders (16107, 16390)

Last Modified on 02/26/2024 10:07 am EST

An issue has been resolved when emailing photos from work orders, which previously caused the contacts available in the drop down to show from the first account viewed.

The screenshot shows a dialog box titled "EMAIL WORK ORDER PHOTO". It features a blue header bar with a green question mark icon and a blue close button. The main content area includes three input fields: "SEND TO (EMAIL)" (empty), "EMAIL TO CONTACTS" (a dropdown menu), and "SUBJECT" (containing the text "Ted Brown" and "Isabel"). Below the subject field is a large, empty rectangular area. At the bottom center, there is a green "SEND" button.
