

Pipeline Summary (Sales) - Sales Rep Filter Not Responding (16279)

Last Modified on 02/07/2024 3:35 pm EST

The issue preventing the Sales Rep filter from displaying the list of sales representatives for selection has been resolved.

The screenshot displays a dashboard with the following elements:

- Division:** A dropdown menu set to "All". A red arrow points to this dropdown.
- Sales Rep Filter:** A dropdown menu set to "All". Below it is a list of sales representatives with checkboxes, including Alexis Gregory (Customer Service), Aliena Somers (Admin), Chelsea Dunkin (Inactive), Chris Fairchild (Sales), Dave Hanson (Operations), Dave Pike, Deara Nichols (Sales), Ed Sulek, Emilio Natarén (Admin), House Account (Sales), House Acct non System (Sales), and Isabel Navarro.
- Funnel Chart:** A funnel chart showing the pipeline stages and their values:
 - PROSPECTS: 74
 - LEADS: \$ 17,770
 - OPPORTUNITIES: \$ 2,713
 - QUOTES: \$ 701
- Map:** A map of the region showing various national forests and parks, including Wallowa-Whitman National Forest, Salmon-Challis National Forest, Custer Gallatin National Forest, Yellowstone National Park, and Bridger-Teton National Forest. A "Map" dropdown is visible in the top left of the map area.
- Checkboxes:** A "Display on Map" section with four checked checkboxes. Below it, a checkbox is checked for "17,982 sites with active services".
