

AR Aging Management - 'Total' Calculation Not Rounding Correctly (16379)

Last Modified on 02/16/2024 3:18 pm EST

The rounding logic in the Total column of the AR Aging Management screen has been corrected to align with the AR Aging Buckets displayed in the Customer Service screen.

The screenshot displays the AR Aging Management interface for account 49046 Subway Fountain Valley. The account details include address, terms, and a 'Paper Bill Fee (\$ 2.50)'. A table below shows the aging buckets and a total of 327.94. A red arrow points to this total value. Below this is a 'HIGHLIGHTS' section with a warning 'Account is significantly past due'. The main 'AR AGING MANAGEMENT' section shows a table with columns for aging buckets and a total. A red arrow points to the total value of 327.94 in the table row.
