In Commission Plans Setup, the Contract Term Months field has been enhanced to support a maximum value of 72.

The screenshot shows the 'COMMISSION PLANS SETUP' interface. At the top, there is a 'DIVISION' dropdown menu set to 'HOUSTON'. Below this is a table with columns: PLAN ID, NAME, DESCRIPTION, and CREATED BY. The first row shows PLAN ID 1002, NAME 'Houston Commission', and CREATED BY 'Aliena Somers'. A modal dialog box titled 'EDIT COMMISSION RULE PARAMETERS' is open in the foreground. It features a 'RULE' dropdown menu set to 'Reason Code %'. Below the dropdown is a table with the following data:

PARAMETER	VALUE	TYPE
*Reason Code	ADD-New Business	String
*Percentage Paid	10	%
LOB		String
Contract Term Months	72	Integer

The 'Contract Term Months' row is highlighted with a red border. At the bottom of the dialog box is a green 'SAVE' button. In the background, there are buttons for 'EXPAND ALL' and 'COLLAPSE ALL', and a list of 'RULE ID' values: 1004, 1007, 1008, and 1009.
